

BodegaSierraAlmagrera

*A pioneering,  
unique and unforgettable wine*

## CABALLO BLANCO 2015

**Name.** Caballo Blanco.

**Vintage.** 2015.

**Sierra Almagrera Winery.**

**Type of wine.** Red, with 24 months in French oak barrels and 12 months in the bottle.

**Type of wine.** Tempranillo, Shiraz, Garnacha and Monastrell.

**Vineyard.** Vineyard located in Cuevas del Almanzora, Almeria, Spain, on reddish loam soil, branded by the mineral decomposition of its parent rock, on the same land where more than 3,000 years ago the first vines, brought to the Iberian Peninsula by the Phoenicians, took root.

The land is at an altitude of 350 metres above sea level and is dominated by the cool breezes that blow from the mountains toward the shores of the Mediterranean Sea.

**Growing and preparation processes.** The grapes at our wineries are harvested in 15-kg boxes. This unique and complex wine is prepared at our underground winery in 500 litres stainless steel tanks at a controlled temperature, then rests 24 months in French oak barrels and spends over 12 months in our uniquely shaped bottles to reach the ideal maturity before delivered to our customers.

**Tasting.** "Deep cherry red wine with a purplish rim. Intense, aromas of wild fruit (blackberries), India ink, liquorice, cocoa, fine leathers, menthol, blue flowers, toasted coffee, aromatic herbs... Juicy, slightly evident tannins from the oak barrels that are slowly polished, powerful, complex mid-palate and gradual fruity, minerally, and smoked finish that lingers".

(03/09/2018) Guía Vinos Gourmet 2019.
